Experience World Class Hunting

In the beautiful South-West Africa lies the quaint country of Namibia. Namibia holds an exciting experience like no other, with sunny skies, starry nights, sandy dunes and incredible wildlife.

Hemingway Safaris offers experienced and novice hunters an adventure like no other. We take care of all plains game hunting permits, accommodation in lodges or camps, catering and rifle rental.

Hunting with Hemingway Safaris is conducted in a “safari style” where hunters drive around searching for plains game. When sighted, hunters stalk on foot. Alternatively, hunting is from an elevated vantage point, and a trophy is spotted in the thick bush and then stalked.
